HIGHLIGHT

A HISTORIC GEM SEBRING MANSION INN & SPA

The magnificent home of F.A. Sebring was built in 1902. The family thrived while the area was the pottery capital of the world. After many years, and with the family having moved on, the Mansion fell into disrepair, even being converted. fell into disrepair, even being converted to apartments at one point. It took the vision and dedication of Innkeeper J. Lynne Biery to restore the mansion to its original glory. Beginning in 2000, painstaking restoration work over many years ensured every detail was correct. The result is a stunning Inn & Spa just waiting to welcome you with all of its historical elegance, as well as modern amenities for your comfort.
